

TA-PV2USB

ENDURA V-Mount Plate with USB and D-Tap Power Outputs

IDX further expands its V-Plate product line with the **TA-PV2USB**. The TA-PV2USB is designed to accept IDX's award winning ENDURA V-Mount battery system and is made specifically to power and charge the growing number of USB devices.

The 5V USB power output is capable of powering and charging tablets, smart phones, remotes (REDMOTE®), wireless transmitters (CW-1), and more. A 12V D-Tap (unregulated) is available for powering cameras, onboard recorders, lights, monitors, etc.

The TA-PV2USB mounts directly to IDX's A-CP(A) cheese plate or third party camera support system (contact IDX to verify mounting compatibility).
